IV. Reports and Business

A. Director's Report

Students are working hard and moving along. Establishing breakout rooms for sight singing. First audio due tomorrow for Madrigal Dinner. Looking forward to a successful year!

Karen Gardias

B. President's Report

Exploring workarounds for the technical challenges due to singing remotely as a choir. May propose doing some fundraising related to addressing these tech needs. When it's possible to sing together in person again, may join with other choirs. Retreat and annual trip are tabled for now, possibly to be held over spring break or after school ends as the pandemic allows.

Mike Levy

Email Jennifer Miller if you do not want your contact information shared on the roster distributed within this group.

Madrigal group photos this year may be done via composite. Working out pricing with our photographer- Jones Custom Photography. New families should schedule an appointment once costumes are completed. More information at the October meeting.

Script cards- requesting parents verify their funds are allocated to Mads. If want to sign up, email Jennifer Tan or Mike Levy. Smile Amazon- Jennifer Tan will send information about how to set that up on your account or via the app.

C. Students' Report

Choir composition is 9 sopranos; 8 altos; 5 tenors; 5 bass. We have had 5 classes and section rehearsals. Live audio feedback is challenging virtually. Students began work on Masters in this Hall and Silent Night for Madrigal Dinner. Students find the Retreat postponement deeply disappointing.
