

Men's Madrigal Capes

Design options for men's madrigal capes:

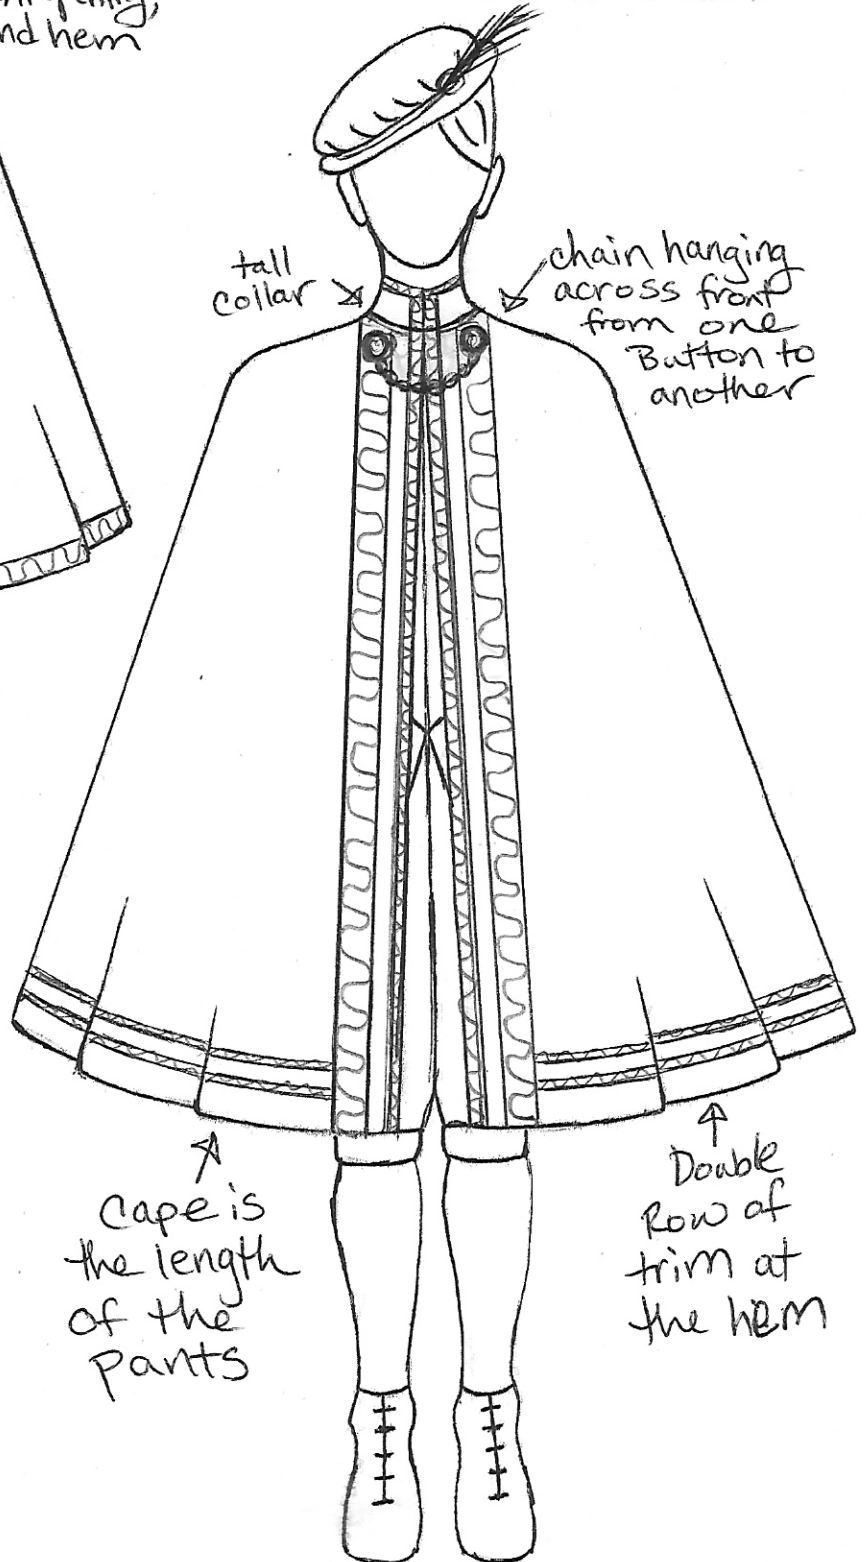

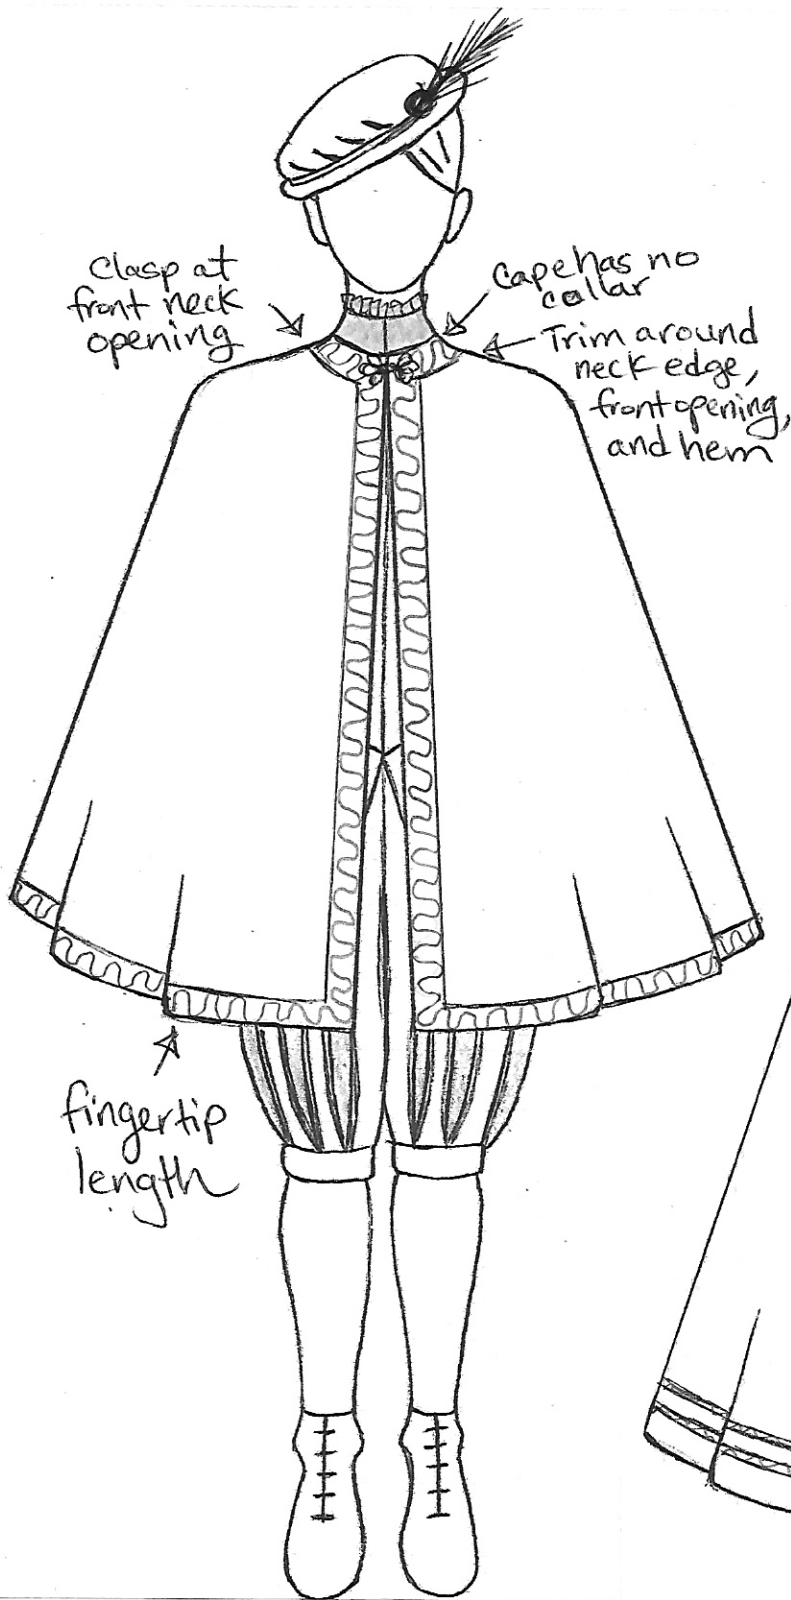

1. **Length:** Capes can be fingertip length or the length of the pants.
2. **Collars:** Capes can have collars or be collarless. Men's capes do not have hoods.
3. **Embellishment:** Capes can be decorated with various trims. Capes can be embellished with fur or faux fur, especially along the edges of the front opening.
4. **Alternate style:** Capes can be made to be worn more open at the front. They can be worn with one or both sides of the front opening edges thrown behind the shoulders.
